UVODNA BESEDA

Ideja za ilustrirani večjezični slovar je nastala, ko se je naša šola vključila v petletni projekt JEŠT (Jeziki štejejo), katerega namen je bil ustvariti učna okolja, ki promovirajo večjezičnost pri učencih,

Slovar smo izdelovali vsako leto v okviru Evropskega dneva jezikov, ki ga praznujemo 26. septembra. Za glavne jezike smo izbrali slovenščino, angleščino in nemščino, ostali jeziki pa so se vsako leto spreminjali glede na potrebe šole. Ostale jezike smo prilagodili predvsem učencem priseljencem, ki vsako leto prihajajo na našo šolo. Naš cilj je bil, da do zaključka projekta JEŠT (Jeziki štejejo) izdelamo večjezični jezikovni slovar, ki bo vseboval različne teme in bo v svoji končni obliki koristen pripomoček za potovanja v tuje dežele ter za lažje privajanje priseljencev na bivanje pri nas.

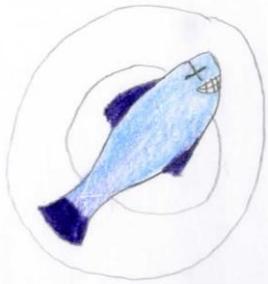

Najlepše se zahvaljujemo učencem naše šole, ki so narisali prekrasne sličice in s tem korenito pripomogli k nastanku slovarja.
